

VERUS
GLOBAL SOLUTIONS

Extending the Supply Chain
FOR RESELLERS AND SYSTEM INTEGRATORS

Overview of Services

- **Verus Global Solutions** is an innovative global provider of New and Refurbished/End-of-Life Enterprise Data Center hardware and services.
- With over 50 years' experience, **Verus Global Solutions** buys, sells, rents and consigns all major product lines of Servers, Storage and Networking equipment, including HP, IBM, DELL, Sun/Oracle, CISCO, NetApp, EMC, HITACHI and more.
- We offer quick delivery of NEW and Refurbished/EOL custom-configured systems, upgrades, and spare parts anywhere in the world.
- **Verus Global Solutions** extends the traditional supply chain allowing solution providers to meet their customer's multi-generational Hardware needs.

Overview of Services (Continued)

- With customers in over 40 countries, **Verus Global Solutions** has a proven track record of providing exceptional value and personalized service to customers around the globe.
- By freeing companies from the constraints of traditional IT providers, **Verus Global Solutions** provides our partners with freedom of choice and control over their IT infrastructure.

Two Ears, One Mouth

- We listen.
- We are customer-focused and provide unparalleled service, putting our clients' needs first.
- Our goal is to ensure every partner gets the products and services they need, when they need them.

The Verus Difference

- Freight-Inclusive Pricing Options Available
- Fully-Tested Equipment
- Configuration Services Available
- Short-Term Solutions (Rentals, Proof of Concept, etc.)
- Global Network and Same-Day Shipping
